Subject: Amendment to Assembly Bill 400

PTK

Please draft two amendments to 2005 Assembly Bill 263 that would accomplish the following:

- 1. If one party brings a case to court, after having already moved with the child, then that party can be found in contempt. The intent of the amendment is that the parent should not be able to first make the move, and then go to court to ask for permission.
- 2. While parties may have side agreements in court, if one parent moves with the child, that parent must be willing to compensate the other parent. The court should reject any deal that fails to provide compensation to the other parent.

Please contact Rep. Sheryl Albers at (608) 516-2140 with any questions you might have.
